Dear Member of the Press,

*You are invited to a press conference on
Wednesday, March 17th from noon to 12:30 PM*
Miller Pavilion on Main Street in Honesdale*

*Seeds, in association with PPL Electric Utilities, will announce its
ambitious
“350 Project.”*

*Press packets will be available to attendees and a large
thermometer tracking the project’s progress will be on display.
[PHOTO OP!]*

There are two components to the SEEDS 350 Project:
#1. Promoting and tracking installations of solar Photovoltaic and
small scale wind systems in our region. Goal: 350 kW installed.
#2. Encouraging and facilitating reduction of residents’ utility
bills to save money and cut pollution. Goal: 350 families each
cutting electric use by 350 kWh.

*Kindly RSVP to:
SeedsGroup@gmail.com*

*Sincerely,
The Board of Directors
SEEDS*

**Yes, we are striving to make St. Patrick’s Day even Greener!*
