

SEEDS (Sustainable Energy Education and Development Support) and PPL present:

Find It – Fix It!

A Home Energy Efficiency Workshop

An evening of fun, prizes and home energy saving tricks and tips!

**Tuesday October 8th at 7:00 pm at
The PPL Environmental Learning Center in Hawley**

There are many simple finds *YOU* can fix by spending little up front, to save *BIG* in the end! SEEDS and PPL have teamed up to offer Find It Fix It – A Home Energy Efficiency Workshop for Energy Awareness Month in October. Professionals will be on hand to discuss energy savings projects like pipe wrapping, caulking, outlet gaskets, lighting, smart strips and more! They will provide hands-on training to show you how to go home, **FIND** your energy leaks and **FIX** them! You will be amazed at just how easily and how inexpensively many of these problems can be fixed. Lots of helpful tips and prizes will be shared!

Join **FIFI**, our **Find It Fix It** mascot for the evening, as she helps guide you through the problems in your home. This is a fun and informative evening for the whole family!

Please call Jenna Wayne at (570) 253-7001 or email her at pplpreserves@pplweb.com to **register today!**

The first 50 people to register will receive a **free gift!**
