

SEEDS (Sustainable Energy Education and Development Support) of Northeastern PA, GREATER PIKE Community Foundation and the Pike County Public Library present:

Find It – Fix It!

A FREE Home Energy Efficiency Workshop

An evening of fun, prizes and simple, inexpensive home energy saving tricks and tips!

Thursday October 9th at 7:00 pm

at **The Pike County Public Library, Milford Branch – 119 E Harford St. in Milford, PA.**

Join **FIFI**, our **Find It Fix It** mascot for the evening, as she helps guide you through the problems in your home. This is a fun and informative evening for the whole family!

There are many simple finds YOU can fix by spending little up front, to save BIG in the end! Professionals will be on hand to discuss energy savings projects like pipe wrapping, caulking, outlet gaskets, lighting, smart strips, phantom energy and more! They will provide hands-on training to show you how to go home, **FIND** your energy leaks and **FIX** them! PPL and Orange and Rockland Utilities will also be participating You will be amazed at just how easily and how inexpensively many of these problems can be fixed..

THIS EVENT IS FREE AND OPEN TO THE GENERAL PUBLIC

Registration is preferred. Please call Jocelyn at (570) 245-1256 or email her at jocelyn@seedsgroup.net
